www.logistik.saarland.de

LOGISTICS IN SAARLAND: SUCCESSFUL COMPANIES

- 33 million tons of goods are hauled by truck alone in Saarland yearly.
- The pull Saarland exerts on global players and mid-sized companies alike is founded not least upon the 100% competency for France and Saarland's outstanding location conditions.
- Logistics is a core competency in Saarland.
- State-of-the art deployment of technology is being constantly carried forward by local R&D institutions.
